

SOKOL BALTIMORE

CARTWHEEL-A-THON

How to Make a Pledge

- Donors -

Donations and pledges:

- Donations are pledged on a gymnast's Rally Up Fundraising Page for every skill completed. Your gift is tax-deductible and will support low-cost gymnastics classes for youth and adults in Baltimore City.
- To pledge, visit <https://sokolbaltimore.rallyup.com/cw2022>, click the NAVIGATE button, and select PARTICIPANTS. Search for the gymnast you'd like to support, hover your mouse over their name, and click VISIT FUNDRAISING PAGE or click the DONATE button on a mobile device.
- Choose to give "per unit" to pledge a small amount for every skill completed or a general donation to give a one-time gift. Follow the prompts on the screen to complete the transaction.
- You can choose to give the suggested amount per skill or a custom amount. We encourage you to give generously but if you must be mindful of your budget, you can set a maximum gift amount.
- Once the skills have been performed and counted on September 24th, the total donation will be calculated and charged.
